

UEC Career Night

☀ Thursday, September 9, 2004

Wine/Cheese: 6-7 pm, 2nd Floor Cross-over

Talks: 7-9 pm, 1 West Conference Room

☀ Speakers:

Careers on the Dark Side! (*Careers in Industry*)

Mark Bregman (VERITAS Software, FNAL Board of Overseers)

Staying in HEP

Tom Junk (University of Illinois at Urbana-Champaign)

Careers in Government and Public Service

Phil Koehn (Institute for Defense Analysis, former CDF postdoc)

The Fermilab UEC invites you to an in-depth look at how to pursue careers in and outside HEP. The talks are aimed at graduate students and young physicists, but everybody is welcome. Come early (6pm) for wine and cheese!

The talks will be roughly a half hour each, with 15 minutes for questions afterwards.
